Centralized Grading Homework Policy

- Homework is due by midnight on the due date.
- Centralized Graders will provide feedback along with your grade. If you have questions about any of the feedback, please speak with your TA.
- Late homework assignments will receive both a grade and an indication showing the number of days late which your SSM and instructional staff may discuss with you.
- If you turn in an incomplete assignment, you will receive a grade of "I". Please discuss resubmission policies with your SSM and instructional staff.
- For extenuating circumstances that would cause a late or incomplete homework submission, speak to your SSM or instructional staff to discuss an extension of the due date.
- Suspected plagiarism will be flagged to your instructional staff and SSM.
- For additional university-specific requirements and policies, please see below.
